Dear Phog:

I have met Mr. Leo Barry, but have no real personal contact with him. His predecessor Webster who was here, like Jeff Mitchell, was very friendly; but I will see what I can do to help Gibbons. Don't worry about me feeling I have any obligation to do that, and I don't know how much good I can do; but it will be a pleasure to try.

When you recommend a boy I know you feel he is the type that will try to make good; and that he has something to him. I will let you know what I hear.

With affectionate regards to all the Allens, I am

Sincerely,

Lacey
