Dear Bryan:

Thank you for your good letter of December 27
which came during my absence in New York.

Yes, I have been speaking at a number of places
the past few years but naturally I am not in a position that
permits me to make financial demands for my talks unless they
are out of the State of Kansas.

You might write and see what could be done. I do
appear a great number of times on the platform and if you
feel the field is lucrative at this time I would be glad
to have you attempt a finding out.

Milton is in the Law School and he needs one more
year to graduate. He got a leave of absence from the Standard
Oil at Russell and he thinks that he has a fine future.
Tom Van Cleave drives down often and they are still very great
friends.

Thank you for the circular and the letter.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
