Mr. John B. Heffelfinger  
Superintendent  
Newton City Schools  
Newton, Kansas

Dear Supt. Heffelfinger:

I was delighted to have your letter of the sixth instant and happy to know that you and I both have high confidence in Herbert Hartman.

He is a splendid boy and a fine student and he is deserving of our very careful assistance. I assure you he will have every cooperation from me in landing a fine position if it is within our power.

With all good wishes, I am,

Very cordially yours,

Director of Physical Education and Recreation
