Mr. Richard Harp
1301 West Campus
Lawrence, Kansas

Dear Dick:

I have just received a letter from Mrs. Hazel Pratt Wood, Alton, Illinois, stating that Mr. and Mrs. Wood, Cecelia, and Walter, Jr., are coming to Lawrence on Saturday, March 7, to see the Oklahoma game.

Doubtless you may not remember the exploits of Walter Wood, who was a stellar quarterback and a marvelous baseball player on the Jayhawk team 'way back in the early teens. Well, Walter has a son who is coming to the University to look the campus over and I understand that he, like his father, is pretty sweet on S. A. E.

I do not know whether you have been informed of the Woods' coming, but I wanted you to know it, and I am sure your S. A. E. brothers will want to give the youngster a good rush.

Walter Wood was the boy that brought Charles Black from Alton to the campus and pledged him S. A. E. Everybody, of course, remembers Charles Black, so I am doing my deed early so that you can spread the news to your brothers if they have not already had the information.

Sincerely yours,
