see them kick hell out of the Sooners.

So I would greatly appreciate hearing from you as to whether I can get some tickets or not. According to the Kansan all the good tickets are sold.

I have a very swell job now Doctor Allen. I am an assistant Public Relations officer and have charge of printing a weekly 8 page tabloid for the soldiers. They furnish me with a government car and a chauffeur and an enlisted man as an assistant. My assistant was drafted and prior to that he was one of the ace reporters on the Houston Press. His salary dropped from 50 to 75 dollars a week to 21 dollars a month. He is a swell writer and a prince of a fellow. He was graduated from Texas University. It is really a pleasure to work with him.

But the real beauty of my job is the people I get to meet. I take charge of all the big shots that come down here to visit the post and I really get to know them. There are new Major league ball clubs training down here, The Bees and the Browns. I have become quite well acquainted with all the men connected with both clubs. But I want to see some good Kansas basketball players.

Please give my regards to Bob and Eleanor.
