Mr. J. Fred Harris, Supervisor
W.Y.A. Boys' Dormitory
New England Building
Topeka, Kansas

Dear Fred:

Thank you for your good letter of April 21 regarding "Open House" for your boys on April 29. I shall be very glad to come and talk to your group.

You state in your letter that the time is set at 5:30. I was under the impression that the program would be in the evening. Is this a dinner date, or am I to eat and talk afterwards? I would appreciate it if you let me know the schedule. Also, what time will the program be finished? I have basketball practice on Tuesday night and should like to get back as soon as I can.

Since the State does not allow for my traveling expenses, I would appreciate it if you would drive me. I will look for you on Tuesday.

If you do not have time to write a letter, I would suggest that you call my secretary and give her the information I seek.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach

P.S. It was necessary for Dr. Allen to leave on a baseball trip before this letter was written. He asked that I sign the same and forward it to you.
