Doctor Robert A. Hunt  
Lawrence, Kansas

Dear Doctor Hunt:

I am sending you carbon copy of letters that I have written to Doctor Nelson, Salina Clinic, and Mr. Earl Woodward, a newspaper man, who formerly played on my Varsity team here in Kansas back in 1908 and 1909.

I was going to write to Carl S. Beyer, an attorney at law, and to E. B. Mackey, but I do not know those two gentlemen as well as the two I have written. You will find these two fellows "tops".

I wish for you and yours all the pleasures and success that can come to a very deserving minister and his wife. It has been a genuine pleasure, Doctor Hunt, to know you and to work with you, and if at any time there is anything I can do to aid you in your success and happiness, please feel perfectly free to call upon me.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball and Baseball Coach.
