Dr. Lawrence Nelson
Nelson Clinic
Salina, Kansas

Dear Dr. "Phat":

The pastor of our Methodist Church here, Robert A. Hunt, has been transferred to the Methodist Church at Salina, Kansas. Dr. Hunt is a most athletic enthusiast and a lover of young people. He has a very aggressive and bouyant personality. He has always been a leader in civic and community affairs and I am very anxious that you should know him and introduce him to some of your good friends.

I will appreciate this as a personal favor. I asked him to call on you at your office at some time after he arrives in Salina.

With all good wishes to you and yourself, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.
