Dear "Woody":

Our Pastor, Robert A. Hunt, who has served "us methodists" here for the past ten years has been transferred to Salina, Kansas. I believe that you are an episcopalian, "Woody", but that none the less lessens my desire to have you meet Doctor Hunt and see that he meets civic and business men of Salina.

Please do not feel that I want to burden you with a selfish matter, but I'm sure that both you and Doctor Hunt will be the gainers when you meet. He is a great lover of young people and a real sports enthusiast. He likes all forms of clean sports and I will appreciate it if you will see that he meets the civic and business leaders of Salina.

Everytime I get near Salina, or go through it, I think of you and Doctor Nelson, but up to the present my schedule has been such that I could not make the proper connections.

Doctor Hunt's son, Bobbie Hunt, played on my Varsity Basketball team several years ago. Doctor Hunt's children are all either married or out making their own living now, and he and Mrs. Hunt will be a very definite contribution to your fine civic.

I will appreciate your cooperation in helping Reverend Hunt meet the good friends of Salina.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
