

December 11, 1940

Mr. Harold Hauser
Marion, Kansas

Dear Dutch:

Mr. Earl Falkenstien just dropped in my office and told me that under date of November 12, 1940 he wrote you that he mailed you six tickets on October 12 for the Kansas-Kansas State game at Manhattan. He enclosed a bill for \$13.65 covering the cost with insured mailing charges.

Mr. Falkenstien states that he has not heard from you in reply to his inquiry of the 12th of November.

You will remember, Dutch, that you called me from Marion and asked that I contact Mr. Falkenstien and have him mail you six Aggie tickets. You also requested, according to my notes, that Mr. Falkenstien should send you a bill. I am sure that this is just an oversight on your part because I know how professional men get covered up with their practice and forget the minor details.

These tickets were obtained from Manhattan and charged to us and we have sent them cash to cover the full amount. I will appreciate it if you will let Mr. Falkenstien hear from you at your early convenience.

With all good wishes to you for a Very Merry Christmas and a Happy New Year, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
