Mr. Albert E. Haas
912 Baltimore Avenue
Kansas City, Missouri

Dear Albert:

Thank you for your good letter as of the 19th instant, also, your carbon copy sent to Ralph Dugan.

I can understand the situation regarding the teacher who was hired from Marysville. Love does wonders, doesn't it? I was also glad to know about Jamesport, Missouri. I haven't been back and unless I hurry, I'm afraid I'll never find the place.

When I see you, we'll have a good chat regarding our previous stomping ground.

Thank you again for doing all you could in helping Red Dugan. Give our mutual friend, Red Ettinger my very best regards and tell him I'm counting on him for the best that he's got in him.

Sincerely,

Director of Physical Education and
Recreation-Varsity Basketball and
Baseball Coach.
