Mr. W.G. "Thistle" Hendrickson  
Superintendent, Dickens Public Schools  
Dickens, Nebraska

Dear Superintendent Hendrickson:

In going through some old mail I discovered your letter dated April 23, 1940. You will recall that I had the National Collegiate Basketball Tournament to handle in Kansas City, both the Western and the Finals, and our team happened to be in it, so with the rush of things and the close of school, your letter became lost in the file. I owe you an apology, but the best way to face the situation is to be utterly frank.

Answering your inquiry in which you ask information on athletic training, I beg to state that I am offering a course this fall on that subject, and I will offer a three-hour course next summer session.

If, at this late date, you are still interested, and will care to write me, I will be very happy to give your letter immediate attention.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
