

very nice and took Floyd around to see the Board members. He said he had your recommendation and he would get in touch with Mr. Stark. You two were the only ones he cared about.

They have a nice school, only five years old, with an enrollment of 350.

We have friends from N. U. at Atwood so we spent Sat. night and Sun. with them.

We wrote to Fredonia and Olathe but haven't received any answer.

Thanks a lot for your interest from both of us.

Sincerely,

Katie Hanson
