Mr. L. W. Brooks,
State Superintendent of Public Instruction,
Topeka, Kansas.

Dear Dr. Brooks:

Thank you very much for your very nice letter of the 20th instant. I am filling out the questionnaire for Dr. Krakower. I trust that it will be acceptable.

I am sorry that I have not been in Topeka since you have been in office. I make few trips up there, but I want to assure you that the first time I am in Topeka in the day time I will certainly make a call at the State House to see my good friend, a man whom we are delighted to see as the State Superintendent of Public Instruction.

My kindest regards and best wishes to you and yours,

I am

Sincerely yours,
