Dear Mr. Hassig:

Your film of the Kansas-Southern California game last year was left at our home at 801 Louisiana a little over a week ago and I wish to acknowledge receipt of the same. My family did not give me very specific instructions as to who left the film.

We have not had time to show the pictures to the basketball boys yet, but plan to do so within a very short time.

I want to assure you that we appreciate your kindness in loaning us the pictures, and thank you for responding so promptly.

POST HEADQUARTERS

FORT SAM HOUSTON, TEXAS

Wednesday afternoon

Dear Doctor Allen:

A note in haste. Never have I stronger felt, nor realized, "Holden you're in the Army".

About two hours before your very welcome telegram arrived a Radiogram from the War Department arrived ordering the post Public Relations officer to Washington for a week's conference. And he was ordered to leave on or about Friday.

That knocked my little trip to Lawrence right into a cocked hat. It so happens that I am assistant Public Relations Officer, and so I will have to take over the Job while he is gone, and I don't think I could do the job justice while in Lawrence.

I am very unhappy about the whole thing, especially since I had planned the trip for several weeks. But as you know that is how the Army operates, and there isn't a single thing I can do about it.

The telegram sure thrilled me, and I sure appreciated the interest you took in my request and I want to thank you and wish you lots of luck Friday night. Personally if you ask me, it'll be Bruce Drake that will need all the luck.

Here's hoping you really "skunk them".

A loyal Court Jayhawker,

Dear Jack:

I have your letter of the 27th instant but I am not clear on the matter in which you write me.

I know of the all-stars being picked from the seniors who played this past year in college football, but I do not know about this poll of which you speak. Please write me and tell me.

Are you the Jack Hall who played at the University of Kansas or the Jack Hall who played at the Teachers College?

Awaiting your answer in explanation of the small college All-Star football poll, I am,

Sincerely yours,

Dr. Forrest C. Allen
University of Kansas

Dear Doc,

I am writing you in regard to the small college All-Star football poll which takes place each fall, and I would like some help if you feel that you have time and wish to help me.

My name has been placed on this poll, and I would like very much to get elected (through votes) to a place upon this team. They play in Chicago in September, and those lucky enough to get to go get \$150, an "All-American" sweater, a blanket, game suit, and expenses. These benefits would go a long way toward helping me alleviate my school obligations, besides aiding me materially in getting a job teaching and coaching. These ballots come out soon and are due in July, so if there is anything you feel you can do for me, I would consider it a great favor.

I ask you for this help because of our friendship, and because I know you can do much for me.

Please advise.

Sincerely,

Jack Hall

Dear Doc,

In reply to your letter, I find that this small college game is but a part of the general "all-star" game, with which you said you were familiar.

I would like all of the votes which you can possibly get for me, that is if I can, & may, call upon you for such aid. Votes are due in July, and may be sent to either the Kansas City Star, or the Chicago Tribune. Since this means so much to me, I am counting on you rather heavily.

In regard to your question as to whether I am the K. U. Jack Hall or the W. U. Jack Hall, I am both. I am naturally prouder of the association with K. U., but it is due to my being in a small college & my being a participant in last December's all-star charity game in Kansas City, between Mo. & Kansas "all-stars" that I was placed on this fall. In this case I think joint-publicity is warranted.

Sincerely yours,
Jack Hall

Dear Vic:

There is nothing that a fellow can say to another when he sustains an irreparable loss such as you have sustained in the passing of your brother, Virgil.

I had the same experience eight years ago when my youngest brother, Richard, crashed above the United States Military Academy at West Point. It is comforting, however, to know that your mother had a son such as you who could bear the burden in the way you have done.

My deepest sympathy and understanding, Vic.

Dear Mr. Henry:

Your letter of recent date regarding the possibility of Dr. Allen serving on a committee to further interest in House Bill H.R.1074 has been received.

It was necessary for Dr. Allen to leave on a speaking tour before he had time to read your letter. However he took his unanswered mail with him and this morning called me from Wichita and asked me to get in touch with Dr. Elbel regarding the matter. It will be impossible for Dr. Allen to serve because he is scheduled to be in Ames, Iowa on Friday and Saturday of this week with the baseball team.

I have talked with Dr. Elbel and he says he would be glad to do anything he can on the committee later, but he is making plans to go to the Drake Relays this week end, and of course will not be here.

Sincerely yours,

Dear Dr. Allen:

Would you be willing to serve on a committee for the promotion in Kansas of the National Physical Education bill H.R. #1074?

I am also asking Mr. Washburn of Manhattan, Miss Mc Cullough of Emporia, and Miss Nevins of Pittsburg to serve on the committee. Also, would it be possible for your committee to meet in your office at 3:30 p.m. either on Friday, April 25 or Saturday, April 26, to lay plans for the final push on the bill to get action before Congress adjourns?

If you find it impossible to serve, I would appreciate it if you would appoint Mr. Elbel or someone else to represent K. U. on this committee.

Dear Sir:

As you probably will realize from this letter head, we are manufacturers of Out-door playground equipment, distributed through school supply distributors in 28 States. Under separate cover we are sending you a copy of our current catalogue so that you may see the type of equipment which we manufacture.

During the past two or three years we have sent references and inquiries concerning your game Goal-Hi to the Medart Co., Loudon Co. and Recreation Equipment Co.

We feel that possibly we could work up a good volume on this game at the uniform delivered retail prices which other manufacturers use since most of our distributors do not sell the game.

Would you consider granting a license to us to manufacture this game under the same terms as other manufacturers? If you wish to check on our operations, we might suggest corresponding with the National School Supplies and Equipment Association in Chicago, the Second National Bank at Danville or most any school supply distributor.

Very truly yours

Dear Doc:

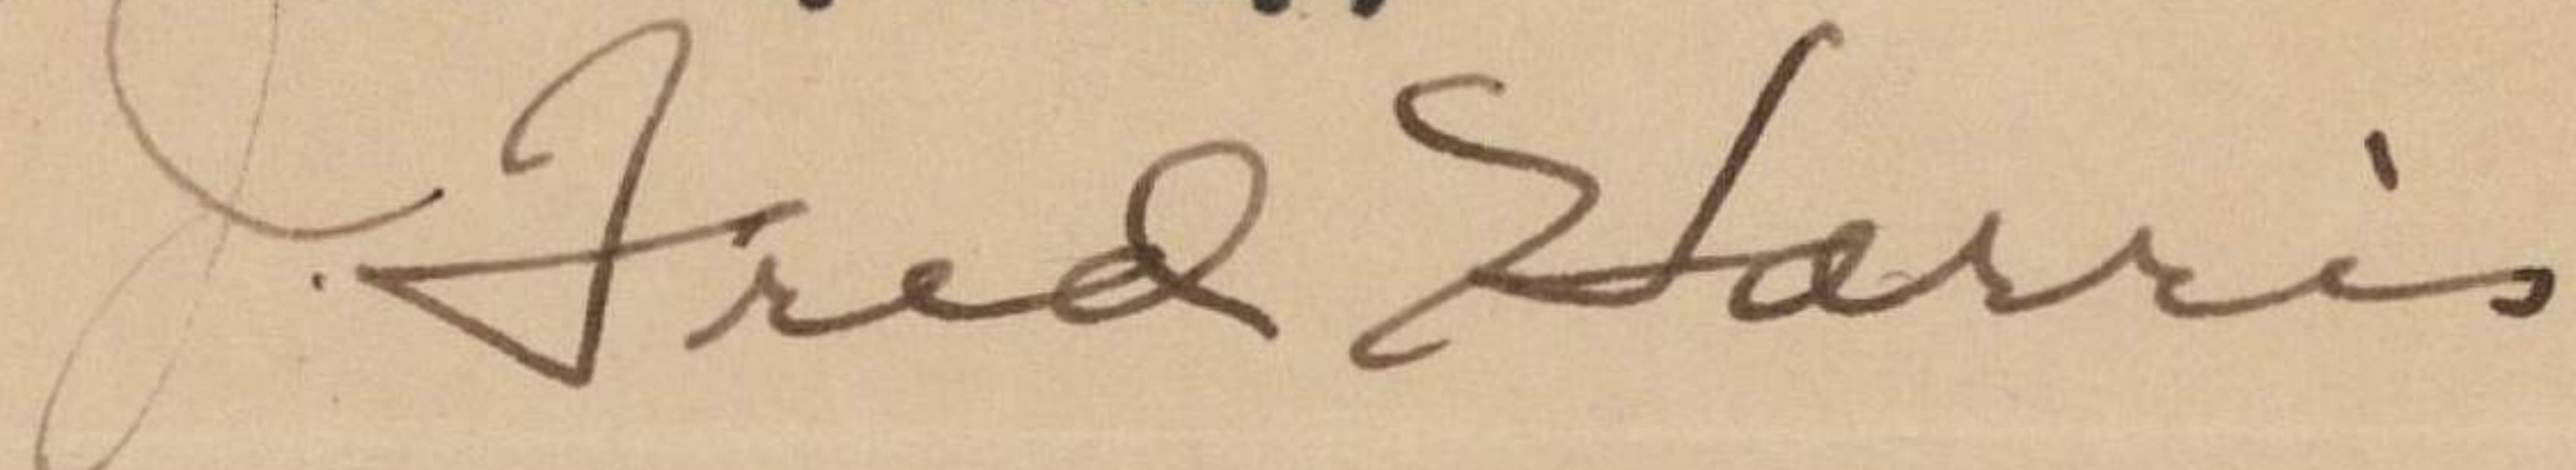

Received your autographed book for the boys and want to express our thanks to you at this time. The text was greatly appreciated, and has been put into use since it arrived. As a matter of fact there is a waiting list of seven boys at the present.

One youth checked out the book and read about the fundamentals of dribbling, then checked out a basketball yesterday (Sunday) and proceeded to follow instructions from the book.

Several have asked me about the out come of "Caseys Revenge". I read it myself but have told them to get the book and read the epic themselves.

In closing I personally want to thank you for your visit and speech in addition to the autographed book. They enjoyed the speech and want you to return again. From all indication the book is going to be very popular.
