

THE SPEARHEAD

PUBLISHED WEEKLY BY AND FOR THE OFFICERS AND MEN
OF FORT SAM HOUSTON, TEXAS

POST HEADQUARTERS

FORT SAM HOUSTON, TEXAS

Wednesday afternoon

Dear Doctor Allen:

A note in haste. Never have I stronger felt, nor realized, "Holden you're in the Army".

About two hours before your very welcome telegram arrived a Radiogram from the War Department arrived ordering the post Public Relations officer to Washington for a week's conference. And he was ordered to leave on or about Friday.

That knocked my little trip to Lawrence right into a cocked hat. It so happens that I am assistant Public Relations Officer, and so I will have to take over the Job while he is gone, and I don't think I could do the job justice while in Lawrence.

I am very unhappy about the whole thing, especially since I had planned the trip for several weeks. But as you know that is how the Army operates, and there isn't a single thing I can do about it.

The telegram sure thrilled me, and I sure appreciated the interest you took in my request and I want to thank you and wish you lots of luck Friday night. Personally if you ask me, it'll be Bruce Drake that will need all the luck.

Here's hoping you really "skunk them".

A loyal Court Jayhawker,

Clavelle Holden
