Mr. Lacy Haynes
Kansas City Star Bureau
Kansas City, Kansas

Dear Lacy:

Enclosed is a copy of the letter which Chancellor Lindley wrote to me in longhand about four years ago. I referred to this letter in my correspondence to you of April 2.

You will note by the enclosed letter that the Board of Regents were consulted regarding my salary.

I am sorry that the copy of Chancellor Lindley's letter got mixed in my unanswered correspondence and did not get off to you sooner.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
