

June 19th, 1941

Mr. Joseph C. Payne  
Howell Playground Equipment Co.  
Danville, Illinois

Dear Mr. Payne:

I beg to acknowledge receipt of your good letter of April 24th. Your letter was mislaid in a mass of delayed correspondence. The fact that I coached both basketball and baseball and was extensively tied up with Highschool Commencement Addresses and the University Commencement, kept me from replying sooner.

The Mehart Manufacturing Company have sole charge of manufacturing and marketing that Goal Hi, and I'm sorry that I cannot make any commitments of the like.

I trust that it will be possible for you to communicate with the Mehart people and they can make some working agreement with you.

Sincerely yours,

Director of Physical Education and Recreation-  
Varsity Basketball and Baseball Coach.
