Sunday 17th

Dear Dr. Allen,

You will please pardon my stationery but we seem to be out of all other paper, and, being where we are, it is difficult to get more right at the moment.

I am, as I told you I would be when I saw you ^{last} in Lawrence a short time ago, in Lake of the Woods, Canada with my good friends the Cushing, Mr. Cushing and Ned, whom you have met. They are certainly enjoying ourselves fishing and swimming. Governor Patton and his two boys, Dab and Geno were here visiting a week ago for a few days. They are certainly fine and we had much fun together. Mother forwarded me your nice long letter and I was certainly glad
