Mr. Lacy Haynes
Director of Kansas News Bureau
Kansas City Star
Kansas City, Kansas

Dear Lacy:

Gee! It is good to have a letter from you back in good old Kansas, and I am further glad that you are on top of the heap again.

Thank you, Lacy, for your kind remarks regarding Kansas winning the hard way over Kansas State. It was hard in two ways because we got Bobby's elbow knocked and it will be a miracle if he gets to play in either one of our next two games. His elbow is healing too slowly, and I don't see how it is possible at all for us to win either the Nebraska or Iowa State games. But if we could whip Oklahoma for a tie, it would be a great tribute to the scrappiest little band of battlers that I have seen for a long time.

Thank you, Lacy, for your good wishes. When basketball season is over, I am going to drop down and have a visit with you; and if you will accept my invitation for luncheon at your good old hangout, the Muehlebach, then I will be happy.

When you wish us "Good Luck", I know good and well that you mean "Good Luck", and we appreciate it. With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
