Mr. Ray Hanson,

Excelsior Springs, Mo.

My dear Rays:

I am glad to know that you are getting in some golf and some baths - a real tonic for anyone, let alone an athletic director and coach who not only knows the benefits of such things but enjoys them fully.

It seems as if pressures never stop. These hypertensions of modern society are really too much for anybody's soul, I would say, so follow my advice and ease up, but do not follow my practice. I am afraid I would be a poor man to set an example. I wish for you a nice summer.

By way of explanation of my almost whole absence from the meetings of the National Association, I might say that the N.C.A.A. tournament not only took a lot of my pre-convention time, but it is still absorbing much of the post-convention period.

With kindest regards, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
