Dear Doctor Allen:

The Extension Department has just informed me that you are available as a commencement speaker for the night of May 15, Wednesday. We will be very glad to have you and will try to make your visit and stay in Hill City pleasant. We have the largest graduating class in the history of this school, fifty-three, and it will indeed be a distinct honor to have a speaker of your reputation.

I will be glad to send you and other information that you may desire concerning the class, and the plans for the evening.

Sincerely Yours,

*Arnold Anderson*
