Dear Dr. Allen:

We have your letter of July 5 and have checked all of our correspondence, but can find no record of having received a letter from Mr. Olsen relative to the three gold basketballs which go to the University of Southern California.

We are writing Mr. Olsen today asking for a letter or a duplicate of his original letter, and as soon as we have the necessary information, we shall enter the order in work and ship it at the earliest possible date.

Thanking you for past favors, we are

Very truly yours,
