Mr. E. N. Hill,
Superintendent of Schools,
Humboldt, Kansas.

Dear Superintendent Hill:

Thank you very much for your kind invitation to speak at your high school commencement on Tuesday night, May 21st. I am sorry that I have already promised to deliver the commencement address at Oswego on that night.

If there would be any possibility of your changing your date to Monday night, the 20th, it would be a great pleasure for me to be with you. The night of the 22nd is also taken for a commencement address.

It is always a pleasure to speak in Humboldt, the home town of John Bunn, now of Stanford University, and Mrs. R. D. O'Leary, of Lawrence. Mrs. O'Leary is one of our dear friends, the widow of Professor O'Leary who taught in the English Department at the University for many years.

I shall be happy to hear from you if there is any possibility of the date being changed to Monday, May 20.

With best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
