

Monday Evening

Dear Dr. Allen:

I hope you will excuse this pencil and stationery for, as I am now 'on my own', I am unable to call to mother and have her bring me my pen and some decent writing paper.

I am in Clay Center and am working for the D. H. Hardman Construction Company. As I was unable to go to work on the farm for two weeks I decided to try and get a job working on the road and with Mr. Harrison's kind help I succeeded. I started working last Friday and since that time I have done everything from pick and shovel work to hauling
