

be happier, and will profit
more by attending A. U.

The athletic equipment
has not arrived yet, but do
not bother about it as
I am sure Dean will send
it when he returns from
his vacation.

We had a slight rain
here Monday night and it
has kept the farmers from
harvesting. I have been
pitching bundles for the
Verhage for the last few days.
I hope to go back to work
for Hardmans about the
