Mr. Fred Harris,

Emporia, Kansas.

Dear Freddie:

I was very happy to receive your letter of the 18th instant, and to know that you are getting along so well.

The emphasis you have placed on the value of fundamentals pleased me very much, and I want to compliment you on your letter. If you coach the way you are going now you will have some great teams. And I have great confidence in your success.

Referring to the last paragraph in your letter, Freddie, all I want you to do is make good, which is exactly what you are going to do. That is all a parent ever asks of a child, and it is what a teacher asks of a pupil. That will make me more proud of you than anything else.

With best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
