Kansas City, Kansas.

Dear Lacey:

I just went into the office and asked Earl Falkenstien to take care of your five tickets for the Missouri game. He is mailing them to you.

Earl repeated to me a conversation that he had with Mr. Carl Friend some two weeks ago when Mr. Friend got eight or ten tickets for himself and some of his group for the Missouri game. Later that same evening Mr. Friend called Earl and asked to have his tickets put with yours that you were getting, but Earl explained to him that since all of these tickets were sold generally on a season ticket basis, and these season ticket holders had gobbled up those seats and he could not get hold of them.

We only have about 3,500 fairly decent seats for sale and the students and season ticket holders generally take the most of those. Of course, Earl Falkenstien does the best he can under the conditions, and I assure you that if there was any way that I could wangle tickets around and get you and Carl Friend together for the game, we would do so.

I am getting in touch with Al Becker and Bob Little at the S.A.E. house and telling them that you want them to get in touch with Ray Evans of Wyandotte and give him a rush for S.A.E..

Thanking you for your kindness, and assuring you that it is a pleasure for me to cooperate with you in any capacity, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
