Dr. Forrest C. Allen
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

For some time I have been disturbed over the fact that I have never in my life been at the University of Kansas, and I think it is about time something should be done to rectify this deplorable situation. Accordingly, I have in mind the hope of coming out to see the big basketball game there March 1st, arriving about noon and spending Friday afternoon in looking around. I know, of course, that you will be busy, but hope, nevertheless, that you will arrange it so that I can meet the members of your staff and be shown around your plant by someone.

I plan to drive out bringing Don Faurot and two other men with me. Naturally the question of tickets to the game arises. If you feel like furnishing three complimentary tickets in honor of the worthy cause, they will be very highly appreciated. (I say three on the assumption that Don will not need a ticket.) I have already discussed the matter with Don and believe he may have written to you himself. In any case, I hope to hear from you soon.

Most cordially yours,

Darwin A. Hindman
