

January 30, 1940.

Mr. Frank E. Harvi, Jr.,
Vehicle Department,
Topeka, Kansas.

Dear Frank:

I am very glad to have your letter of the 26th instant regarding tickets for the Missouri game to be played here on March 1st.

I immediately went in to see Mr. Earl Falkenstien, financial secretary, and he reserved two seats downstairs on the end section. Those are very fine seats and I trust that you will enjoy the game. They certainly are the best we have at the present time.

Mr. Falkenstien stated that he sold six hundred more student tickets this year than he has ever sold, so you see when the students take up that many additional seats there are not many choice seats left for outsiders.

The price is 75¢ each, and there is an additional charge of 15¢ for insured postage. So if you will mail Mr. Falkenstien \$1.65 for the two tickets I am sure that he will be happy to send them to you.

It is always a great pleasure to see you. The fact that you have seen Kansas play all of the home games as well as those in Topeka makes you better qualified to join the thirty-third degree Kansas basketball fans of this and previous generations.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
