Mr. Floyd Hanson,  
Sabetha High School,  
Sabetha, Kansas.

Dear Floyd:

I recently received a letter from Dr. Wrightman in which he told me that he had been to see Fred and found him in good health and working hard. I presume that Fred is at the University of Missouri, his father's old school. Do you know if I am correct in this?

Dr. Wrightman also wrote about you, and confidentially I am quoting this paragraph for you and your wife to see:

"Regarding Mr. Hanson, I am glad to say that he has more than come up to our expectations. He is getting along very well with the boys and they seem to cooperate and work for him very hard. In our conference, he has won two games and lost one. The one lost should have been a tied game. He is also doing well in his class work so that I feel, altogether, that we are very fortunate in having chosen him for the place. I want to thank you for your cooperation in helping us to get such a good man."

I thought this would make you happy. Keep very close to Dr. Wrightman and the other influential people there, and keep their friendship, as it means so much at a place like this.

With all good wishes to you and Mrs. Hanson, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
