Dr. F. C. Allen
Prof. Physical Education
University of Kansas
Lawrence, Kansas

Dear Mr. Allen,

I am hereby making application for a job as life guard and swimming instructor at the University of Kansas swimming pool for the coming vacation period. I was told in an interview iwth you, April 26, that this position was open.

I am 25 years old,height 6 feet, weight 180 pounds, and in excellent health.

I recieved my A.B. degree in chemistry January, 1938, and I am now working toward my Master's degree in chemistry. This summer I plan to work in the State Water Laboratory, having my afternoons and evenings free.

I have worked two years as life guard and instructor for Mr. Allphin in the University Pool, and during the summer months I have been employed at the WichitaMunicipal Beach as life guard, swimming instructor, and examiner for the Junior and Senior classes for the last seven years. Mr. P. Ben Way, 848Porter, Wichita Kansas , is manager of the pool. I have a Red Cross Examiner's Badge and have also worked for the Wichita Y.M.C.A. as swimming instructor.

Sincerely,

Ed Hyatt
