

MADISON CITY SCHOOLS
R. L. HUNT, SUPERINTENDENT
MADISON, SOUTH DAKOTA

Dear Dr Allen - Have just heard
that the position of Sup't of Schools in
Laurens is open. Since you have
been asked by me for a favor since
1913 (when your letter was the 1 big factor
that got me a job in Colo) I am
asking another favor. Will you
give me the name of the pres. of the
School Board and his address and
will you speak a word for me to
this man and other board members
whom you know and think such
a word would be wise?

I am enclosing a
sheet of my resume since 1913 for
your own information. Will send
this with other papers to board
if job is still open.
Hope you come back to SD
again.

Sincerely
R. L. "Bob" Hunt
