Mr. Wm. Hardin,
3805 Lyndale,
South Minneapolis, Minn.

My dear Bill:

Gee, I was sorry that I missed you on the 30th of March. I was up in Minneapolis last year and thought that I was going to look you up, but, doggone it, I just didn't get around to it.

I wish you would call Ray Parkins, the coach at Edison High School in Minneapolis, as Ray is one of my old boys from Warrensburg. He is a swell fellow and I would like for you to know him better, and I would like for him to know you. I don't know that Edison is in your district, but Ray is such a swell fellow that I want you to say hello to him for me. Ray and I have been corresponding quite a bit here of late.

Bill, it was good of you to drop in. We are hoping for better luck next time. You bet, we remember that Independence neighborhood, and often think of our friends there.

With all good wishes, I am

Very sincerely yours,
