

April 14, 1939.

Mr. Robert C. Hickson,
408 Avenue "A",
Elk City, Oklahoma.

Dear Bobby:

I was very happy to have your letter of the 13th instant, and I assure you nothing would give the Allens more pleasure than to see you return to Lawrence.

Answering your inquiry, I might state that the proper person to write to would be Mr. Gwinn Henry, Director of Athletics, University of Kansas. However, I might also state that Mr. Earl Falkenstien, who was secured from the Lawrence National Bank some ten years ago, is the financial secretary and is definitely entrenched in this position. In my opinion he is doing one of the best jobs that it is possible to do.

Should there be an opening I am sure that you could count on my giving you a fine recommendation. However, Mr. Falkenstien is active in the civic life of the community and he numbers his friends by legion. He is a particularly conscientious and hard-working individual, as well as being highly efficient. At the present time, Bobby, I do not see any opening.

Mr. Falkenstien has as his secretary Mrs. Imogene Webster, and when the ticket sales come on in the fall and winter he employs some available student help. So the job is not large enough for another individual, and at the present time it is being taken care of in a highly efficient manner. If at any time an opening should occur I will be happy to communicate with you.

I will be sure to inform Mrs. Allen and the rest of the Allens that I got this nice letter from you, and you can rest assured of my full cooperation should an opening arise. With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
