Mr. W. H. Harrison,  
State Bank of Downs,  
Downs, Kansas.

Dear Bill:

Thank you for your good letter of the 4th instant. I would have been glad to have seen you, but I know that when Bing and Pete and you sit down into an athletic bullfest it runs into the wee hours of the morning. However, I would have been happy to have had a chat with you.

We will be looking for you and Vance and Allen Verhage at our Oklahoma game.

Your description of how Hall is weakening is rather stimulating to me. The fact that he only made 16 of the 22 points against Osborne and then swamped Cawker City single-handedly, and further that he made 29 points against Lebanon - well, I would say that he is slipping badly. I am interested, too, in his poundage - 127 as a sophomore, 148 as a junior and 162 as a senior. That impresses me that he will be another Downs flash like George Rody, only a lot bigger and tougher.

Jim Arnold came in to see me during enrollment time and said that he wanted to make a date with me, but so far we have not had opportunity to contact each other as yet. Jim is making "A" grades, so I am afraid that he has given up basketball. A fellow who makes straight "A's" doesn't have much time for any extra activities here at the University. Jim is a swell fellow and I am very fond of him.

With kindest regards, and hoping to see you on the 25th, I am

Very sincerely yours,
