Mr. W. H. Harrison,
State Bank of Downs,
Downs, Kansas.

Dear Bill:

It was good to see you and Vance Hall and Allen Verhage last Saturday. I was happy that you could come in and witness a very exciting and colorful game. I imagine it must have brought back fond memories to you of the times when you were in school and when the same old pep and enthusiasm ran rampant through your nervous system.

That re-christening of the perennial sophomore spirit is something that the old-timers love and we love to see them enjoy it. Gosh, it makes us happy when we see the old-timers have a good time when they return to the scenes of their college days and where the reactions are so pleasant.

I am writing a little note to Vance and Allen telling them that I am happy that they came, and I want you to know that I appreciate your thoughtfulness in bringing them. Tell them that we are expecting both of them on Mount Oread, and they will be doing the same as Bruce Voran, this boy from little Pretty Prairie, did. You remember that we discussed with those boys the fact that we did not have boys from big towns altogether, - that this boy Bruce Voran, from Pretty Prairie, was quite a boy, and he proved his part, did he not?

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
