

KING OF KINGS, by John Gunther

An order form and return envelope have been neatly combined for your convenience. You need not send your check now. We will gladly bill you later, but won't you return the order promptly and run no risk of missing a number? And remember you may renew for two years for only \$6.00 or three years for \$8.00 - a saving of considerable dimensions.

Cordially yours,

A handwritten signature in dark ink, appearing to read "AR Hyde", with a long horizontal flourish extending to the right.
