

Clay Center, Kansas.
Oct. 24.

Dear "Dad"

I hate to bother you "Dad" but I wanted to know if my "K" card still entitles me to a ticket to a football game. My father & myself were planning on coming to the Nat. game & I would like to have had two tickets, I didn't know who else to write to about this so I took a chance that you might be able to help me.

Thanks for your trouble

George Hopgood.
