

September 14, 1937.

Mr. Strong Hinman,  
Supervisor of Health and Physical Education,  
Wichita Public Schools,  
Wichita, Kansas.

Dear Mr. Hinman:

I was under the impression that I had written you to the effect that Mr. George Veenker, Director of Athletics at Iowa State College, is now secretary of the Big Six Association. Veenker, of course, will handle all of the officiating details. I relinquished this position with the directorship of athletics.

If at any time I can be of any service to you in any way I want you to feel free to call upon me.

I would suggest that you write to Mr. Veenker, because all the directors sitting in on these assignments are well acquainted with the situation, and Veenker will not need any more than a preliminary letter from you to initiate his correspondence.

Very sincerely yours,

FCA:AH

Director of Physical Education.
