Miss Beth Hollis
818 Bluemont Ave.
Manhattan, Kans.

Dear Miss Hollis:

Your letter of June 11th addressed to the Vice-President of the University of Kansas has been referred to me for reply.

Miss Hoover who is head of the Women's Physical Education Department is at Boulder, Colorado where she is teaching at the University of Colorado in summer school and her assistant, Miss Elizabeth Dunkel, is in New York attending school.

If you care to write either of them for additional information you may do so.

Miss Dunkel teaches Theory and Hygiene and has charge of the dancing classes.

We do not have a catalogue on the four year curriculum in Physical Education but I am enclosing mimeographed sheets giving the information in regard to this course. As you perhaps know, this is a new course being offered this fall and that is the reason we do not have the printed catalogue.

If you are interested in attending the University of Kansas you may send a transcript of your grades to this office and we will later refer it to the Registrar, Mr. George O. Foster.

I could not promise you anything in the way of work to take care of a part of your expenses at this time. There are a number of students who do various kinds of work for part of their expenses but Miss Hoover has charge of the employment of those in her department.
