Coach W. D. Healey,  
Wakefield High School,  
Wakefield, Mass.

Dear Coach Healey:

Your letter of August 30th was sent to me at Culver, Indiana, where my family and I were located on the shore of Lake Maxineuke Kee. For that reason I failed to answer your letter in time to be of benefit to your two boys, Trepsas and Powers.

The week before your letter was written I was called to Kansas City to attend the funeral of my father who had passed away. For this and other reasons I have not followed some of the details as closely as I would have under other conditions. I wish you would forgive me for not answering your letter sooner.

I want you to know that I greatly appreciate your interest in sending the transcripts of the boys and writing in their behalf. Obtaining jobs for boys is not a difficult situation if you are on the premises early and can get the jobs lined up for them.

We are in the midst of enrollment now, and I am not informed whether either one of the boys came to the University or not. If they did, I would be very happy to see them and help them in every way possible.

With deep appreciation for your services,  
I am

Sincerely yours,
