Director of Phys. Ed.,  
Kansas University,  
Lawrence, Kansas.

Dear Mr. Allen,

I received your letter some time ago concerning Trepsas and De Felice, two of our boys who wanted to enter Kansas Univ. De Felice doesn't seem to be able to make it. W<sup>m</sup> Trepsas, a 170-lb. full back and W<sup>m</sup> Powers, a 165-lb. end, tell me that they can get about \$150. together and that if it is possible to obtain work either at the school or in the vicinity of the school they would like to enter Kansas Univ. and take a chance at making enough money to finish the year.

I am sending a transcript of their marks, and would be glad if you would advise me in the matter.

Sincerely yours,

W. D. Healey, coach of foot-  
ball.
