Dear Phog:

Some time ago I wrote you and asked for a big order of information concerning past basketball records in the old Missouri Valley conference. Since then I've been thinking it over, and I'm sure that I overdid it.

However, do you have a list of Valley basketball champions from the first year, probably 1908, up to 1920. I also need the games won and lost by the championship team each year. If you do not have such a list, do you know if one is in existence.

I'm sorry to bother you about this, Phog, but I'm trying to compile Valley records in all sports and these early basketball records are the only ones which I have been unable to get. Since you have been the basketball king of this section so long, I thought possibly you might help me.

Sincerely yours,

Leighton Housh
