Thank you for your letter of June 25th. It is very nice of you to offer to do the thing that you have for me.

If and when you get the matter straightened out, I would be happy if you would let me know because I would like to make a suggestion for a change in a part of the garment.

I would like to have a hip pocket with zipper fastener to carry my keys and whistle in.

Trusting that you get matters straightened out without added expense to your corporation, I am

Very cordially yours,
