Mr. T.L. Chisholm
Hookless Fastener Co.
Meadville, Pa.

Dear Mr. Chisholm:

I have your good letter of June 15th and just wanted to let you know that it was perfectly all right that you did not mention some reciprocal agreement when you were here.

Upon rereading my letter of June 3rd I can see how you might have taken it more seriously than I intended. I dictated the letter in a hurry and really do not want you to feel that you are obligated to me in any way.

I hope that the information I have you will be sufficient to carry you through the difficulty. If you feel that it has been of any value to you and would care to have a new warm-up suit made for me with the zipper fastener, I certainly would appreciate it.

As far as making up a number for our teams I would suggest that you forget all about that.

Whatever you want to do will be perfectly satisfactory with me.

Assuring you of my pleasure in giving the information to you and with kindest regards, I am

Sincerely yours,

Director.
