Dr. Forrest C. Allen, Head Basketball Coach  
University of Kansas  
Lawrence, Kansas

Dear Dr. Allen:

I have talked to President W.A. Brandenburg about the football coaching position, left open by the resignation of Coach "Blue" Howell. He asked me to have letters of recommendation and transcripts sent at once. I intend to go to Pittsburg for a personal interview Saturday. I am sorry to trouble you for another letter but feel that this job is one that I am well qualified to handle. If you think a telephone call is advisable please call and send me the bill.

I am following the success of your basketball team. I know you have a man's job with young material, yet I am confident that you are developing another fine team for Kansas.

I am grateful to you for your interest and aid in this matter.

Sincerely Yours,

*C. C. Hardy*
