Dr. Forrest C. Allen  
Lawrence, Kansas

Dear Doctor Allen:

I didn't know about your book, "Better Basketball" in time to ask for a review copy before the supply was exhausted. Under all the circumstances, do you have sufficient influence with the publishers to induce them to make an exception in this case and let me have a copy anyway, as I feel that every book (every good book) by an osteopathic author should receive adequate mention in our publications, but I can't write about it without seeing it.

Fraternally,
