Mr. Phog Allen,
Director of Physical Education,
Lawrence, Kansas.

Dear Phog:

Ed Crane, George Gardner, coach of Southwestern College, and myself and another fellow want to go down to see the Kansas-Oklahoma Basketball Game.

First of all I was getting ready to write a check for some tickets down there and I am just wondering if you couldn't put us fellows on your team so that we could get in. A fellow once told me there wasn't any use in having friends unless you can use them so I am trying it out. If you can't perform, say so, and I will send you more basketball players ever chance I get and I would also like to know when you are going through here. Whether you are going to stay in Oklahoma City or Norman. In fact, I would like to see you and talk to you. I didn't get to up to the Southwestern last month when you were down there as you seemed to be so damned popular with the women that I couldn't even get close to you.

Please let me hear from you right away, Phog, as I have to get these tickets at least by Tuesday.

HVH RMc

Very truly yours,
