Dear Eddie:

Thanks for your very good letter of February 11th. I enjoyed your comment and appreciate your writing.

The boys all enjoyed their work and I thought they did a pretty good job, under the conditions. It was nice of you to take the time to write me.

I am also glad that your leg injury is somewhat improved. Sometime if you get around again or if I am in Kansas City I will work on it again for you. I believe that I can still help that old ailing pin.

With every good wish, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
